

ORTON-GILLINGHAM ACADEMY CERTIFIED LEVEL TRAINING

Coursework begins July 23 & 24, 2024

THE COURSEWORK

Participate in 100-hours of coursework over two years via synchronous Zoom training sessions and asynchronous presentations. Topics include:

- morphology instruction
- incorporating grammar
- teaching written language skills
- case management
- working with complex student profiles
- OG for multi-language learners (mll)
- the reading brain
- neurobiological underpinnings of dyslexia

THE PRACTICUM

Taking place over the course of a minimum of two years, the 200-lesson practicum allows the educator to implement what they learn in class.

Teachers will choose two 1:1 students to work with; one of these students must be ready to learn morphology.

Candidates will receive ten observations over the two year time span.
